August 2025 Club Meeting - Tuesday night August 5th, Stratford Town Center

We hope you're enjoying the summer! After last month's "on air" meeting, we're back to meeting again in person at our regular meeting spot in Stratford. The August club meeting will be held Tuesday, August 5th, at the Stratford Town Centre. Start time: 7:00 P.M. As always, everyone is welcome to attend, not just club members. If you're a licensed radio operator and would like to become a member, or you're perhaps interested in becoming licensed and would like to find out more about us and the hobby, then please come and join us. We would love to meet you. For anyone who would like to become a member, membership dues are \$30 for those who are not currently members of the Radio Amateurs of Canada (RAC). For RAC members, it's \$20 for the year. Our students and graduates from the 2024 classes are automatically members of the club for 2025. Our meetings run from 7:00 P.M. to 9:00 P.M. (1900-2100) in the Southport room at the Stratford Town Centre on Shakespeare Drive. Alongside monthly club reports we usually enjoy an information exchange. This month, Joel VY2KW will be giving a presentation on the two QRP labs QMX and QMX+ transceivers he built in 2024/ 2025.

Our New Newsletter Name: The Island Beacon

As you can see, our newsletter finally has a name. Woohoo! 🎉 After two months of voting, "The Island Beacon" was revealed as the winner. As you can see, we've given the logo a makeover. The little radio guy on the right even has many seasonal and holiday outfits ready for the whole year.
